

On December 9th, 2006, Moving in the Spirit hosted its Annual Holiday Store! We received over a thousand toys and gifts, and our community theatre was transformed into a magical Holiday Wonderland! This fun-filled event was an opportunity for the young dancers in our programs to shop for gifts, using the points they have earned by demonstrating hard work, commitment, and respect. For many, it was the only opportunity they had to find gifts for their family members and loved ones. Moving in the Spirit would like to thank everyone who contributed to this magical event!
